ALUMINUM DIRECT BURIAL LAMP POST

AVAILABLE IN
10' 12' 15'

Posts are durable extruded aluminum with standard 3" fitters.
Made of non-rusting extruded aluminum. Wall thickness is .065 in.
Durable powder coat finish with a smooth round style.
Designed for post top lanterns and acorn fixtures.

A promotional graphic for LPC's newsletter. It features a night scene with palm trees and a street lamp. A giraffe wearing sunglasses is positioned on the right. The text reads: "DON'T GET LEFT IN THE DARK SUBSCRIBE TO OUR COOL NEWSLETTER & GET EXCLUSIVE DISCOUNTS..." followed by "(SIGN UP ON OUR WEBSITE ON THE CONTACT US PAGE!)". At the bottom is the LPC logo (Lighting Products Co., EST. 1979) with a yellow spotlight effect on the letters.
